

**Applicant:** Hermann Grether  
**Application No.:** 10/519,572

**REMARKS**

After the foregoing Amendment, claims 34 – 67 are currently pending in this application, having been designated with the proper status identifier (i.e., New). Claims 1 – 33 have been canceled without prejudice. New claims 34 – 67 have been added consistent with the original claims of PCT Patent Application No. PCT/EP2003/010727 (with the removal of multiple dependencies and minor formalities) from which the instant application claims priority. Applicant submits that no new matter has been introduced into the application by these amendments.

Prompt examination of the application is respectfully requested.

Respectfully submitted,

Hermann Grether
